Trophy class elk found in every zone!

This is the first time this hunt has been offered. It includes one tag good in five hunt zones statewide. Season dates for this tag are open before the general season, so you get *the* elk of your choice.

California is the only state to have all three species of elk, Rocky Mountain, Roosevelt and Tule, take your pick on which one you would like to hunt, or hunt all three species and choose your favorite.

*Subject to Fish and Game Commission approval
